

TRISTATE CHESS CLUB
B SECTION TOURNAMENT
2019

09-30-19

Ground Rules

Each round will be scheduled.

In each round the players will play two games, one as white and another as black, with their opponent. The players will decide the colors for the first game and then switch for the second.

For each game, a clock set for 30 minutes will be used. If the players decide to record the games, then additional time will be permitted up to 45 minutes.

The players will be given a point in the tournament for each win. A player who wins both games will receive two points. If the players split their games, each player will receive one point. If the players wish to play a third game, it may be recorded for the ladder but it will not count for the tournament.

If a game results in a draw or a stalemate, each player will receive a half point.

Players may play opponents in any round, at any time. Players who have already played each other in the current round may play opponents in another round provided they are available and they inform the B Section coordinator.
