

TRISTATE CHESS CLUB
B SECTION TOURNAMENT
2018

Ground Rules

Each round will be scheduled.

In each round the players will play two games, one with white and another with black with their opponent. The players will decide the colors for the first game and then switch for the second.

For each game, a clock set for 30 minutes will be used. If the players decide to record the games, then additional time will be permitted up to 45 minutes.

The first two games will count. Players will be given a point for every win. If the players split the two games, each will be given one point. If the players decide to play a third game, that game can count for the ladder but not for the tournament.

If a game results in a draw or stalemate, that game will be replayed with the players keeping the same color for the replay.

Players who have already played each other in a round may play opponents in a successive round provided they are available and they inform the B Section coordinator.

If a player does not play a minimum of 5 of the 7 scheduled rounds, the games with that player will be canceled.
